This document certifies to the best of the County's knowledge and belief at the time of issuance that the above referenced structure has been erected in substantial compliance with applicable mandatory state building codes and fire codes as amended by the State of Georgia. No oversight by the office of the Building Inspector or Fire Marshal or other approving agency shall excuse the violation of mandatory building, fire or life safety codes, county ordinances or development regulations for unincorporated Cherokee County, Georgia.

The Certificate of Occupancy is considered valid upon issuance for the life of the building provided the internal and external features of the building are not materially or structurally altered, the type of occupancy and occupancy load remains unchanged, and provided there have been no fire of serious consequence, no natural disaster or hazard identified that affect the structural integrity of the structure, or unless voided by future law.

Final Inspection Date: September 29, 2025

Date Issued: Thursday, October 09, 2025

	No change shall be made in the use for this building, suite or tenant space without prior notice and certificate from the Building Official and Fire Marshal
